Americans Are Engaged in a national blessing." The eastern department, with head-Only Minor Oper-

With the American army in France Tuesday, Nov. 21 (By Associated Press). Only the fact that the Germans failed to venture into No Man's land on a recent night saved them from an American surprise. One hundred and sixtytwo men, specially trained, crawled scross No Man's land and took positions in front of and in German wire entangle-ments at points where it had been disovered the enemy came out every night. They reached the positions soon after dark and remained all night but not one German appeared.

The plan was to allow several groups of ten or fifteen Germans to emerge and meet at the rendezvous, then the Americans would fall upon the enemy and repay them fully for recent trench raids. A cold which a soldier had caught in the trenches brought him a wound in the hand and gave warning to the German patrol on an ambuscade on the otha German patrol were seen approaching emy promptly disappeared and soon aft erwards came a hail of machine gun bul-
